My dear Mirza,

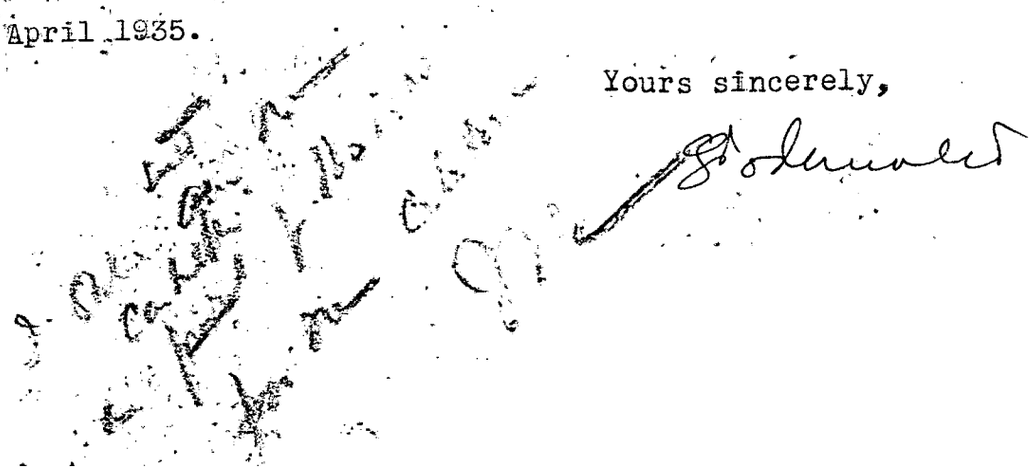
I am desired to forward for favour of your opinion a letter from the Commandant, Eighth King George's Own Light Cavalry, asking His Highness the Maharaja to contribute to the expenditure of a re-union of pensioned Indian Officers and men of the Regiment, which is to be held in October next to celebrate the 150th anniversary of the raising of the Regiment.

It may perhaps assist you in advising on the matter to have the following brief note of His Highness's connection with the Regiment.

His Highness was appointed Honorary Colonel in 1910. In 1921 he made a contribution of Rs 1,000/- to the Mess Fund. Later he made a contribution of Rs 50/- to the Silver Trumpet and Bugle Fund. About 1929, when the Regiment was at Bolarum, some of the Officers were invited to Birthday. There was some discussion then about the presentation of a piece of plate, but I don't think that anything was given. In 1935 the Regiment asked for help in replacing their Mess

plate,, which had been much damaged while they were on the frontier and a sum of Rs 500/- was given after consultation with you, vide your letter No.3341, dated the 6th April 1935.

Yours sincerely,



BV.
